

MW TRUCKING LLC – CAPABILITY STATEMENT

Company Overview

MW Trucking LLC is a federally compliant transportation company specializing in regional 26-foot box truck operations across the U.S. East Coast. We support federal agencies, prime contractors, and commercial partners with reliable, audit-ready logistics services.

Core Competencies

- 26-ft box truck transportation (regional routes)
- Time-sensitive and scheduled route execution
- USPS and government logistics support
- Auto parts and commercial freight delivery
- Dispatch-managed, compliance-first operations

Past Performance

- United States Postal Service (USPS) – Regional route support
- Commercial auto-parts distribution – scheduled deliveries
- Overnight and route-based box truck operations

Differentiators

- Box-truck-only specialization (reduced operational risk)
- Backup driver and continuity planning
- ELD & GPS-enabled fleet visibility
- Prime-contractor-ready documentation

Compliance & Certifications

- SAM.gov registered
- DOT & FMCSA compliant
- Drug & Alcohol Testing Program
- Fully insured operations

Business Identifiers

- NAICS: 484110, 484121

- UEI: Pending / Available Upon Request
- CAGE Code: Pending / Available Upon Request
